

EASTER BADMINTON

Easter Saturday 7th April

7pm at Westlands, Yeovil

This is a chance to play some extra badminton, but with a CHOCOLATE EGG at stake on every game*

It'll work like anyone's club night as we try to pick balanced games except we'll play best-of-three instead of single games. That's so the winners don't have to fight over who gets the egg. You get one each.

You can play as much as you like with a chosen partner rather than changing about all the time, but only if we're happy we can provide opponents who are capable of beating you.

Anyone winning too many eggs will be expected to eat them before being allowed back on court.

The cost is £5 per person.

Feather shuttles and some refreshments will be provided.

Stronger league players may not enter.
